Rohde GmbH/Germany. Furnace builder Rohde of Germany sent us this press release. *"Rohde GmbH located near Frankfurt in Germany has been busy in the past months and has sold a lot of equipment recently. New orders for a total of 7 salt recovery units have been received which will be delivered to Germany, India, Mexico, Slovakia and China. Furthermore the company has sold a pit furnace for annealing and a chamber furnace for nitriding and nitrocarburizing which will be delivered to China and Mexico. Rohde as a company is becoming more and more international and over the past few years the focus has switched from just the European market to the global market. Rhode has outgrown their current location in Bruchkoebel and will shortly start construction on a new, larger location in Hanau. As of today the land has been acquired, the plans drawn up and construction will begin by the end of this summer".* **June 22/2015**
